Simple. Powerful. Designed for restaurants.

Simple to set up, and your personal NCR Silver Concierge agent will be there to help you get started quickly. Intuitive interface means staff will be up and running in minutes, saving you time and money in training.

“At-your-fingertips” reporting enables you to quickly see how your business is doing at any moment. And features like custom table mapping, ticket sharing, or the optional Kitchen Display System for NCR Silver (and more) all add to your efficiency and bottom line.

There are more than 130 years of business-building experience built into NCR Silver Pro Restaurant. Get the tools the big brands use delivered in a way that helps you thrive every day. Plus support and reliable hardware all at one low monthly subscription cost.
